The Fort Wayne Electrical JATC serves and accepts applications from applicants living in one of the following counties: **Adams, Allen, DeKalb, Huntington, LaGrange, Noble, Steuben, Wells and Whitley.** As an apprentice in the Fort Wayne Electrical JATC Program, you may be required to report for on-the-job training assignments anywhere within the employment jurisdiction of the JATC, which are the counties mentioned above.

To meet minimum qualifications for apprenticeship, applicants must submit the following within 30 days of making an application.

- a. Be a minimum of 17 years of age to apply and 18 years of age to work.
- b. Each applicant must be: a high school graduate, or have a Certificate of High School Equivalency, or GED, or have a two-year Associate Degree (or its equivalent) or higher. (if the equivalent education was obtained outside the United States, the applicant will be required to provide appropriate documentation)
- c. Provide an official transcript for high school and completed post high school education and training or GED records.
- d. Each applicant must have successfully completed: one full year of high school algebra (or its equivalent) with a grade of "C" or better, or one semester of post-high school algebra (e.g., Adult Education, Continuing Education, Community College, etc.) with a grade of "C" or better, or the Electrical Training Alliance's online Tech math course.
- e. Present evidence that they possess a valid driver's license or state ID.
- f. Submit a DD-214 to verify military training and/or experience if they are a veteran, and wish to receive consideration for such training/experience.
- g. Qualify for final ranking/potential apprenticeship offer & employment using GAN Testing & Related education, employment and training verification.
- h. Prior to being indentured, applicants, regardless of method of entry, will be required to provide results of a drug test as decided by the JATC.
- i. Individuals who can verify (proper documentation required) that they have worked a minimum of forty-eight hundred (4800) hours specifically in the telecommunication industry, do not need to meet the requirements of item (b).

The Fort Wayne Electrical JATC will not discriminate against apprenticeship applicants or apprentices based on race, color, religion, national origin, sex (including pregnancy and gender identity), sexual orientation, genetic information, or because they are an individual with a disability or a person 40 years old or older. The Fort Wayne Electrical JATC will take affirmative action to provide equal opportunity in apprenticeship and will operate the apprenticeship program as required under Title 29 of the Code of Federal Regulations, part 30.
